Montefiore Medical Center recognizes that there are times when patients in need of care will have difficulty paying for the services provided. Financial Aid provides discounts to qualifying individuals based on your income. In addition, we can help you apply for free or low-cost insurance if you qualify. Just contact our Financial Counselor at 718-920-5658 or go to Room RS-001 for free, confidential assistance.

Who qualifies for a discount?

Financial Assistance is available for patients with limited incomes and no health insurance. Montefiore Medical Center also provides financial assistance to patients who have insurance coverage but have an out-of-pocket expense that they cannot afford or deem a hardship, including payment arrangement upon request. Any financial aid allowance will be determined on a case-by-case basis.

Everyone in New York State who needs emergency services can receive care and get a discount if they meet the income limits.

Everyone who lives in the five boroughs and Westchester County can get a discount on non-emergency, medically necessary services at Montefiore Medical Center if they meet the income limits. You cannot be denied medically necessary care because you need financial assistance.

You may apply for a discount regardless of immigration status.

What are the income limits?

The amount of the discount varies based on your income and the size of your family. If you have no health insurance, these are the income limits:

What if I do not meet the income limits?

If you cannot pay your bill, Montefiore Medical Center has a financial assistance category for all who apply. The percentage of the discount depends on your annual income and family size. We also offer extended payment plans and the monthly payment will not exceed ten percent of your monthly income.

Can someone explain the discount? Can someone help me apply?

Yes, free, confidential help is available. Call Financial Aid at 718-920-5658.
If you do not speak English, someone will help you in your own language.

The Financial Counselor can tell you if you qualify for free or low-cost insurance, such as Medicaid, Child Health Plus and Family Health Plus.

If the Financial Counselor finds that you don’t qualify for low-cost insurance, they will help you apply for a discount.

The Counselor will help you fill out all the forms and tell you what documents you need to bring.

**What do I need to apply for a discount?**

Tax return, which the financial aid representative can help you to obtain a copy of if needed.

If you cannot provide the tax return, you may still be able to apply for financial assistance.

Alternate acceptable proof of income when tax return is not available or income level has changed is as follows:

- Unemployment statement
- Social Security/Pension Award letter
- Paystubs/Employment verification letter
- Letter of support
- Self attestation letter (in appropriate circumstances)

All medically necessary services provided by Montefiore Medical Center are covered by the discount. This includes outpatient services, emergency care, and inpatient admissions.

Charges from *private doctors* who provide services in the hospital may **not** be covered. You should talk to private doctors to see if they offer a discount or payment plan.

**How much do I have to pay?**

The amount for an outpatient service or the emergency room starts from $0 for children and pregnant women, depending on your income. The amount for outpatient service or the emergency room starts from $15 for adults, depending on your income.

Our Financial Counselor will give you the details about your specific discount(s) once your application is processed.

**How do I get the discount?**

You have to fill out the application form. As soon as we have proof of your income, we can process your application for a discount according to your income level. You will have 30 days to complete application.

You can apply for a discount before you have an appointment, when you come to the hospital to get care, or when the bill comes in the mail.

Send the completed form to Montefiore Medical Center-111 EAST 210TH Street, Bronx, N.Y. 10467 or bring it to Room RS-001.

Once you have submitted a completed application and documentation, you may disregard any bills until the hospital has rendered a decision on your application.

**How will I know if I was approved for the discount?**

Montefiore Medical Center will send you a letter within 30 days after completion and submission of documentation, telling you if you have been approved and the level of discount received.
What if I receive a bill while I’m waiting to hear if I can get a discount?

You cannot be required to pay a hospital bill while your application for a discount is being considered. If your application is turned down, the hospital must tell you why in writing and must provide you with a way to appeal this decision to a higher level within the hospital.

What if I have a problem I cannot resolve with the hospital?

You may call the New York State Department of Health complaint hotline at 1-800-804-5447.
