

CHA 2018 RFP Grant Awardees

We are excited to announce two awardees for the Community Health Advocates 2018 RFP. These organizations will be joining the CHA network and helping individuals use their health insurance and access the health care they need.

The **Mental Health Association of Rochester and Monroe County, Inc.** will provide services in Monroe, Livingston, Ontario and Wyoming counties. Their mission is to promote mental wellness through a spectrum of culturally competent programs and services. They have been providing services in their community for the past 80 years and have a strong background in access to health and mental health care services.

Westchester Disabled on the Move will be providing services in Westchester and Rockland counties. WDOMI is part of a national network of Independent Living Centers dedicated to independence and equal rights for individuals with disabilities. They have significant health care access experience. They are currently providing health insurance enrollment services through the New York State of Health and through the Local Departments of Social Services.
